

BUILDING WEALTH IN OUR COMMUNITY SYMPOSIUM

**2026 Creative & Production In-Kind
Sponsorships**

BUILDING WEALTH IN OUR COMMUNITY

WHO ARE WE

The Black Chamber of Memphis (BCoM) is an advocacy and economic development organization dedicated to strengthening and scaling businesses across the Mid-South. Through strategic programming, access to capital, partnerships, and education, BCoM works to ensure entrepreneurs have the tools, networks, and opportunities needed to grow sustainable enterprises.

Building Wealth in Our Community Symposium

The 2026 Building Wealth in Our Community Symposium is BCoM's most intentionally designed event to date. This two-day experience combines executive relationship-building, entrepreneurship, capital access, procurement readiness, and business mobility into a curated experience. The Symposium brings together entrepreneurs, investors, corporate leaders, and public-sector partners committed to strengthening Memphis' entrepreneurial ecosystem.

The Experience

Thursday, October 1

Chairman's Council Reception

An invitation-only evening convening for BCOM's most significant civic, business, and investment relationships. Sponsors, elected officials, corporate executives, D9 chapter leaders, and featured speakers gather for high-quality engagement in one of Memphis' premier private event venues.

Friday, October 2

Full Day Symposium at Reign Event Venue

A curated, business mobility forum with breakout sessions and a facilitated lunch for entrepreneurs, investors, corporate leaders, public agencies and business support providers. This year's theme, Building Entrepreneur City aligns with the City of Memphis' initiative to position entrepreneurship as a key driver of economic growth. This approach recognizes that strong cities are built through the success and scalability of its businesses. Through this lens, the Symposium equips leaders with the strategies, access, and connections needed to grow and compete in today's economy.

ELEVATING LOCAL CREATIVES & SERVICE PROVIDERS

BCOM is committed to strengthening Memphis' business ecosystem by intentionally sourcing local talent, elevating local brands, and creating real opportunity through partnerships.

Build With Us

Through our sponsorship opportunities, service-based businesses can contribute to BCoM's largest annual convening while receiving strategic visibility, brand positioning, and new business opportunities.

Why Partner?

Showcase Your Craft in Real Time

From decor to production to visual storytelling, your work becomes part of the attendee experience. Through curated activations, vendor presence, and promo features, your brand is not just seen; it's experienced.

Connect with Decision-Makers

The Symposium places your work in front of individuals and organizations who influence contracts, collaborations, and future opportunities.

Extend Your Visibility Beyond Event Day

Gain strategic exposure through sponsor spotlights, promo placements, recap content, and social media amplification designed to continue driving awareness and engagement after the Symposium concludes.

Partner Categories

- Floral Design
- Entertainment
- Event Production (A/V, lighting, staging, sound)
- Photography
- Videography
- Decor & Design
- Experiential Activations
- Logistical Support
- Marketing & Public Relations
- Signage
- Content Creation
- Creative Media Services
- Specialty Installations (backdrops, step & repeat, activations, etc)

GUIDELINES

The Creative & Production Partner Program is a service-based sponsorship opportunity where businesses contribute in-kind professional services to support the Symposium. In return, partners receive structured visibility, brand positioning, and access benefits aligned with each sponsorship tier. BCoM members will receive priority consideration and early confirmation. In-kind contributions may be tax deductible. Consult your tax advisor.

Fair Market Value Verification

- ✓ Sponsorship levels must correspond to the fair market value of the in-kind contribution.
- ✓ Vendors must submit:
 - Detailed proposal or scope of services
 - Estimated labor and production costs
- ✓ Final sponsorship level is subject to BCoM review

Service Commitment

- ✓ Deliverables must meet the agreed-upon scope, timeline, and quality standards.
- ✓ A signed Memorandum of Understanding will outline expectations.
- ✓ Partial service fulfillment may result in an adjusted sponsorship tier.

Submission Requirements

All proposals must be submitted through the official online form and include:

- ✓ Company Overview
- ✓ Contact Information
- ✓ Scope of Proposed Services
- ✓ Itemized In-Kind Contribution (labor, materials, equipment, production, etc.)
- ✓ Portfolio or Work Samples
- ✓ Staffing & Execution Plan

Scope of Work by Service Category

To support strong, well-aligned proposals, we've outlined the anticipated scope of work across each service category. This guidance is intended to help partners develop accurate submissions that reflect both the scale and production quality of the Symposium.

Vendors are encouraged to propose thoughtful enhancements and innovative solutions that elevate the overall experience while aligning with the tone, audience, and execution standards of a 250+ attendee regional convening.

Creative Media Services (Design)

Development of visual assets to support marketing, branding, and the on-site experience and ensure coordination across all visual touchpoints to ensure brand consistency.

Anticipated Scope:

- Social media posts
- Featured speakers & entertainment graphics
- Sponsor graphics
- Session graphics
- Event countdown graphics
- Influencer content assets
- General event graphics
- Eventbrite header
- Email Header
- Stage backdrop design
- Step-and-repeat design
- Signage and environmental branding
- Program design
- Slide deck templates and presentation visuals
- Wayfinding signage and materials

Photography

Promo, Real-time, and post-event content to amplify visibility, engagement, and attendance.

Anticipated Scope:

A. Headshot Photography

- On-site professional headshot station
- Lighting, backdrop, and quick turnaround workflow
- Designed for high participant volume

B. Event Photography

- Full coverage of Momentum (Thursday) and Symposium (Friday)
- Capturing key moments, speakers, audience engagement, and networking

C. Selfie/Photo Activation

- Branded selfie station or interactive photo experience
- Setup for both event days
- Optional instant sharing or digital delivery integration

Scope of Work by Service Category

Continued

Event Production (A/V, Lighting, Stage, Sound)

Full-service production support to ensure a high-quality, seamless experience for all programming.

Anticipated Scope:

- Audio/visual setup for main stage and breakout sessions
- Stage design and setup (in coordination with decor vendor)
- Lighting
- Sound engineering for speakers, panels, and entertainment
- Technical management and on-site support throughout both event days

Event Planner

Operational support to ensure seamless planning and execution..

Anticipated Scope:

- Vendor coordination and communication
- Day-of event management and troubleshooting
- Stage management and run-of-show execution
- Staffing coordination (contractors and/or volunteers)
- Support for registration, breakout sessions, and attendee flow

Influencer & Social Media Management

Promo, Real-time, and post-event content to amplify visibility, engagement, and attendance.

Anticipated Scope:

- Development of promotional content leading up to the event (reels, short-form video, announcements, etc.)
- Reshare content
- Live social media coverage (stories, posts, short-form video) during both event days
- Audience engagement content during the event
- Post-event recap content
- Alignment with overall event messaging and branding

Scope of Work by Service Category

Continued

Public Relations

Drive visibility and attendance through press and advertising.

Anticipated Scope:

- Develop and circulate press releases to major regional media outlets
- Securing media interviews and press coverage
- Outreach to media partners and press attendance coordination
- Support in securing advertising placements
- Email marketing support (attendees, members, partners)
- Strategies to support registration growth and audience engagement

Videographer

Capture and produce compelling visual content that elevates the Symposium experience.

Anticipated Scope:

A. Event Coverage

- Video capture of Momentum (Thursday) and Symposium (Friday)
- Highlighting key moments, audience engagement, and overall experience

B. Interview Content

- On-site interviews with attendees, speakers, and partners
- Short-form content capture for post-event marketing and storytelling

Decor

Design and execution of cohesive visual elements to elevate the event environment.

Anticipated Scope:

- Stage furniture
- Pipe and drape
- Environmental design features
- Branded or experiential activations
- Coordination with floral, signage, and creative media partners
- Installation and breakdown

Printing & Activations

Production and installation of props and signage.

Anticipated Scope:

- Step-and-repeat backdrop
- Stage backdrop
- Easel signage
- Retractable banners
- Wayfinding signage
